

Dear Sirs,

ICS Consulting Engineering Dooel Skopje is pleased to announce signing of a contract for purchasing share capital of Alcatel-Lucent Dooel Skopje from Alcatel-Lucent International. ICS Consulting Engineering became the sole owner of Alcatel-Lucent Dooel Skopje. The acquisition was subject of approval of the end owner, the group Alcatel-Lucent, situated in Paris.

The acquisition of Alcatel-Lucent Dooel shall enable ICS Consulting Engineering to increase its market share and operations within the telecommunication sector in Macedonia.

Alcatel-Lucent Dooel will continue working at its new company headquarters, at 33 Istarska street.

The company will continue providing to its clients excellent technical support and services as well as most sophisticated products and technical solutions that will satisfy even the strictest criteria on the telecommunication market in the country.

We would like to stress out that in accordance with the contract for authorized business partnership, by conjoining strengths, ICS Consulting Engineering and Alcatel-Lucent will try to improve the impeccable support and services as You are already used to and as You expect. Also, we will do our best to satisfy your needs for advanced technology solutions.

Sincerely Yours,

Borislav Nestorovski
